FIRST DUCATI GET TOGETHER

On July 25th Sunday we will hold a small Get Together on Sanibel island on the west coast of Florida, south-west of ft. myers. We will be doing some playing around, some beer drinking, some clam eating (the best in the world), swimming and a little street racing out on this small abandoned paved golf course just for the fun of it. Nothing very big, or fancy, just a place to get together with some Ducati freaks and have a good time. For more info call or write DIOC c/o Sanibel Island after 6:30 pm call 1-305-963-6903 ask for Joel. Hope you can make it.
