750 Sport Fiberglass fairing on a 350 MKIII. Made in Canada. B. W. Barnes, 10723 64th Ave. Edmonton Alta, Canada T6H 1T1.

We don't know who this beauty belongs to, the fiberglass parts look like Racer One, or Dicks Cycle West. Anyone who has info on this bike, let us know.

Hondas and Yamahammers, eat your hearts out! Jerry Pesek, 6116 Madison Ave. Berkeley, MO. 63134

When we get through with this picture you can get a rag and wipe the gas tank, and get the mud of the pegs, and hurry it up I don't want the neighbors to see me on this stupid Vespa.

Ah come on Cook, whata ya mean my BMW is not stock, why you can go into any friendly Bimmer dealer and buy a stock R90S, Mono Shock, 1000cc, with four Spark plugs, oil cooler, special crank, pistons, special every @!*#¢\$%* you can think of and take it to the track and claim its a stock production bike.
