## CLASSIFIEDS BITS AND PIECES

You DIOC is looking for magazine articles past and present, that have something to do with Ducatis. Foreign publications are welcomed. Very few people have sent us this kind of material so we don't have much at the time. If we get double copies of an article we can keep one and share the other with someone who needs it. Please don't forget us. We have been receiving a lot of such articles and publications and we sure like to thank you folks who were kind enough to send them to us so we could share them with the other members.

PHOTOS FOR THE GALLERY: You guys with the cameras, how about taking some Ducati type photos and we'll show them in the photo gallery. Hell, you may get your ugly mug in the DIOC and be seen by DIOC members all over the world. Far out!

FREE ADS: Don't forget that paid members get free classified ads such as the ones in this column.

DEALER ADS: They cost \$10.00 and are the same size as the ones in this issue. The ad runs for two months. A full page is \$45.00 ads double the size of the ones in this issue are \$20.00. They get results for you. If you are in doubt, contact the people who have advertised in the DIOC and ask them.

MEMBERSHIP APPLICATIONS: If you would like to join the DIOC just send us \$8.50 for United States people and Canada, \$10.50 for members overseas. We would also like some personal information about yourself and your Ducati or Ducatis. And last but not least, let us know if you can do anything for the club; write, take photos, draw etc.

DONATION NOTICE: We have had a small mishap here at DIOC and we need your help. We have had over \$68.00 worth of stamps, and post cards ripped off, by some no-good @#\$%&\*&#\$. We would appreciate it if you would send us a dollar to help us recover this unfortunate loss. We don't have the funds at the time to be taking such a loss. Please drop us a buck in an envelope and mail it to us as soon as you can. Thank you very much. Joel. P.S. we'll take checks, too, pennies, pop bottles.....

DIOC CREDITS: Here is a small list of credits to those good folks that have helped to get this Newsletter put together. The Desmodomics piece and most of the letters column was edited and put together by John Campbell of Mars Hill College, the lettering was done by Joe Doby of Hollywood Fla., the technical tips have their credits at the bottom of the article they have written. Joel is responsible for the content, the majority of the typing, pasting and altogether assembling of the Newsletter our Director is also responsible for the cartoons, their content and their drawing. Let's keep up the good work!
