Does all this sound confusing? Good! It sounds confusing to me too but it makes sense.....(?)....

Public Notice: We would like to announce the formation of a club for people who don't have Ducatis and wish to hell they did. It will be called the "People Who Don't Have A Ducati But Wish To Hell They Did, Club. We are still working on a name. For our first meet no one is allowed to come on a Ducati, or if you do you can't join the club even if you wanted to. We hope to have discussions on what we would do if we did have a Duke, what problems can arise if we owned one, and ways to repair these problems after we decided what problems it was that we were going to have in the first place.....(?).. Send all inquiries to P.W.D.H.A.D.B.W.T.H.T.D.C., c/o Johnny Undee Cided. 1123 NoDhuke Lane, Savinupbred, Wyoming 44515.
