PUBLIC NOTICE

Att: Southern California Area DIOC members

We would like to announce the cancellation of any further planned meets between the DIOC members and the Cutthroats, M/C of Southern California. We realize that this was a move to improve the sport of motorcycling and to further the knowledge about Ducatis to other riders, but The Cutthroats of Los Cojones California are not what we call average motorcycle enthusiasts. And I think that maybe in the future we should try something a bit more exciting than a Sunday picnic with Kool-Aid and cookies. We would also like to take this opportunity to wish those members in the Los Cojones General Hospital a speedy recovery. Those of you who had minor lacerations from being tied to a tree, or being rolled in an empty litter can, well a get well soon to you all. Oh and by the way I also have some good news, we have word that the three Ducatis have been fished from the park pond, and that the test results from Ms Sophia Los Melones proved negative, The same goes for Luise Lotsarump, and Abigail Windsail. Our next meet will be announced as soon as we find the address of the area BMW Owners Club of Elkulito County, California. For more info write to Samuel Sosholmeet, c/o of DIOC of Comet Caliente, 1189 Kikinass Lane, Comet Caliente, California 98765
