PUBLIC NOTICE

I would like to advise all members of the DIOC that after having made contact with a departed DIOC member through spiritual meditation and I have some bad news for everyone who may be heading for that final DIOC meet in the sky. There are no Ducatis in heaven The Almighty rides a Harley. Hey I know what you are all saying. "Oh noooooooooooooo" Now you all calm down here cause things could be changed. Now as you all know not many Harley riders go to church, they are usually out plundering and pillaging or fixing their machines. So if He sees that Ducati riders are going to church, (Bingo & Church Carnivals don't count) he may change his mind and make Ducatis the official motorcycle for the-US Olympic Team....er I mean heaven....jeez I'm cracking up. Now I know a lot of you are wondering if you are going to be able to take it with you, well no not exactly you see Ducati will have to apply for distributorship and all that crap, and don't expect parts to be any easier to get. If you think you got problems down here, can you imagine all the waaaay up there? Forget it! For more info write to Ducati Heaven, c/o Ghost Cycles, Pearly Gates, MO.
